Dunn County Local Food Directory & Guide

Connecting the community through agriculture

Sylvan Hills Farm

What's in season?

Year-round: honey, eggs, dairy, meats, preserved food such as pickles and jellies, maple syrup, mushrooms, wild rice, greenhouse-grown produce

December-March: some potatoes and squash, parsnips

April-May: spinach, peas, other greens, new maple syrup, some radishes, rhubarb

June: all of the above, beets, asparagus, strawberries, green beans, early small fruits, some tomatoes, broccoli, cabbage, corn

July: all of the above, eggplant, tomato, carrots, summer squash, blueberries, chard, kale

August-September: apples, grapes, raspberries, brussel sprouts, parsnips, onions, winter squash, melons, herbs, garlic, leeks

October-November: rutabagas, winter squash, cranberries, pumpkins, corn mazes

Note: Seasonality changes with climate differences, greenhouses, and variety of produce. This is not a complete list of Wisconsin products.
