Junior Record Book Instructions

1. Use this record book for all the things you do in 4-H this year.
2. Use separate "Project Plan", "Project Diary", and "This is what I did in my 4-H project" forms for each of your projects.
3. Use your record to look back at the progress you have made during the year. This will be helpful when you make plans for next year.
4. When you complete your 4-H program for this year, write your 4-H story.
5. You will want to keep only the most important materials in the memories part of your record. You may want to keep a scrap- book of ribbons, certificates, programs, and other materials.
6. The record book is your personal work. It should be kept current as the year progresses. Handwriting or typing should be your own.
7. You may want to organize your records with tabs in a binder.
 - **A suggested order for doing this is:**
 - Introduction
 - My 4-H Planning Calendar
 - Projects (separate tabs for each project)
 - Permanent Record
 - My 4-H Story
 - My 4-H Memories
 - Comment Page
