

## What is Heart of the Farm?

Heart of the Farm Workshop is an opportunity for farm women and men who are interested to learn farm financial management skills and strategies in a comfortable setting.

- Addresses the needs of farmers by providing education on pertinent topics.
- Provides resources and information to improve your farming operation.
- Classes are small.
- Participants are other farmers from your county/area.
- Opportunities to network with your peers in similar situations.

10:00 am – 2:00 pm

Dunn County Community Services Building, Lower Level Room 54  
3001 US Hwy 12 East, Menomonie, WI 54751

This two-day workshop series is for farm women and men who are interested in learning or improving their farm financial management, a part of the fabric of farm life and the farm business. Working with a case farm, this series will be interactive between speakers and participants with in-class exercises to assist you in improving your farm financial management skills.

Topics to be included in Financial Management Workshops:

- Introduction to the Financial Management Model
- Records and Recordkeeping Systems for Agriculture
- How to prepare Financial Statements (balance sheet and income statement)
- Analysis and Interpretation of Financial Statements
- Benchmarking of Financial Position and Performance

Participants will have an opportunity to complete their own financial statements and analyze their agricultural business' performance during this two day series.

Heart of the Farm workshop invites all Wisconsin producers directly, or indirectly, involved in agriculture to participate in this educational event!
