## Program

8:30 am	Registration
9:00 am	Opening Remarks
9:15 am	"Hydrangeas for Wisconsin"
10:00am	Question & Answer Session
10:15 am	Break and visit with booth exhibitors
10:45 am	"Tips, Tricks and Tools for Adaptive Gardening Techniques"
11:30 am	Question & Answer Session
11:45 am	Wrap-Up and Door Prizes
Noon	Concluded

Event speaker will be Mike Maddox, Director of the Extension Master Gardener Program.

Mike is an ISA Certified Arborist and holds an AHTA certificate in horticultural therapy. He has a MS degree in horticulture from UW-Madison.

Sessions will include:

- *Hydrangeas for Wisconsin...*  
Hydrangeas are a versatile and easy to grow landscape plant in most of the U.S. Mike will share what he has learned from incorporating hydrangeas into his personal landscape, including cultivar selection, landscape placement, pruning, and maintenance.
- *Tips, Tricks and Tools for Adaptive Gardening Techniques.....*  
Gardening is one of the few things in life that crosses culture, age and ability. But as our bodies age, we may need to make adjustments to how we garden, including structures, ourselves, and the plant materials we choose. We will also discuss continuing gardening when downsizing to a condo or apartment.

## Spring Begins! Seminar With Dunn County Master Gardener Association March 2nd, 2019
