

2019 Dunn County 4-H Foods Revue

Saturday, June 8th 10:30am

St. Mary's Church | 1265 Ridgeway St. | Hammond, WI

Set up: 10:30am | Judging Begins: 11:00am

The Foods Revue is a fantastic time for Foods & Nutrition project members, Cloverbuds, Explorers and any other adult-led group with programs in food or nutrition to learn and share new ideas. This project is also an activity of the Dunn County Fair. Don't forget to sign up in Fairy Entry also! This year's theme is:

"Cowboy Boots & Country Roots"

With the 2019 Dunn County Fair theme being, "Cowboy Boots & Country roots", this years food revue will focus on the foods of a backyard bar-b-que. Your dish could be something traditional in your family, a recipe you learned from a neighbor or something that you discovered through 4-H. Be creative and be ready to explain how your dish is related to this years theme.

Youth will prepare a food item related to the theme and discuss their project with the judge. The judge often shares information with the participant that may help them in future food project's. To help prepare for the event, participants can download a Food Preparation Guide from the Extension Website. Older members will be judged first, so younger members are encouraged to come to watch and learn.
