

Dunn County 4-H Trip Funding Overview

Specific trips have been granted funds from the Dunn County 4-H Leaders Council to help offset the costs to you. In order to be eligible to receive those funds, members need to apply for funding and complete the application process. If selected for funding it is the member's responsibility to complete the following requirements.

In order to receive the funding associated with each particular trip the required tasks must be completed within one year after the end of your trip. Failure to complete the requirements will result in the loss of funding from the Leaders Council. If special arrangements are needed, requests must be made to the Trips & Awards Committee prior to the 1-year deadline. For questions or concerns about the process please contact The Leadership Council Awards Committee.
