

Tri-County 4-H

Performing Arts Festival

Chippewa, Dunn and Eau Claire Counties

Saturday, February 29, 2020

Cadott High School

Drama

The Chippewa, Dunn, and Eau Claire County 4-H members, leaders, families and guests wish to acknowledge our special thanks to **Cadott High School** for their support of our Tri-County Performing Arts Festival today. We appreciate the use of their fine facilities, and we ask for your cooperation in keeping them clean and treating them with respect while we are here.

A Reminder:

1. All litter and other materials are to be disposed of properly.
2. Keep the commons area, auditorium, back stage, band room, lobby, restrooms and hallways clean and free of extra materials.
3. NO SNACKS, FOOD OR DRINKS PERMITTED IN THE AUDITORIUM!

Thank you to the judges for sharing their time and talents with our 4-Hers today:

*Heidi Horvat
Donna Raleigh
Kevin Raleigh*

- * **Final Preparations:** Final preparations are in the BAND ROOM approximately 15 minutes before each performance. This is the time to make sure all actors and props are present. There is a tunnel from the band room to the stage for set up when it is your turn. Please be careful as the previous performance group will be exiting through the tunnel in the opposite direction. (Stay to the right.) **Groups will need to keep this area quiet and clean.**
- * **Dressing Rooms:** Please find bathrooms to use as dressing rooms. Change quickly and remove your items to another location as there are other events going on in the building.
- * **Noise Considerations:** Please speak quietly while in the band room and the hallway. Door monitors will let you into the auditorium during breaks but not during performances.
- * **Time Note to all Groups:** Every effort will be made to stay on schedule. Please be ready at the designated time and everything should go smoothly.

Thank you for your cooperation.
