Comments from your leader:

Great job taking part in interpretive reading at the tri county speaking festival.

Your participation at club meeting is noticed, you have done well learning parliamentary procedure. It has also been helpful that you are at volunteer opportunities.

Your Cloverbud record was enjoyable to read, thank you for explaining each part.

Suggestions for next year:

It is good to see your interest in trying new things. Your fair projects look very nice, keep up the good work!

Stay positive and keep looking forward to the time when you can take more items and earn ribbons at the fair!
