quilts along the trail**

The Dunn County Barn Quilt Project Team has started a Barn Quilt Trail and they are inviting you to participate!

Dunn County Barn Quilt Trail is coordinated by:

MJ's Barn Quilts—Mary Kolstad and Janine Thull, and Extension Dunn County office

“The Barn Quilt Trails . . . provide us all with a more meaningful, and colorful, way to connect with our rural heritage.”

-Danae Peckler National Barn Alliance

An EEO/AA employer, University of Wisconsin-Madison Division of Extension provides equal opportunities in employment and programming, including Title VI, Title IX, the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act requirements.

Barn Quilts are a great way to:

- Show how each farm is unique,
- Portray the farm's history,
- Distinguish families,
- Serve as directional points, especially during a time when roads were not always clearly marked.

Barn quilts have been making a comeback with people creating barn quilt trails and forming committees to help paint the quilts. Here in Dunn County, the trail is flourishing!

Interested?

Ask about our individual workshops and create your own barn quilt to embellish your barn, shed, outhouse, fence, garden or wherever your imagination takes you! At our workshops you can choose to create a 2x2 or 4x4 barn quilt.
