## Raising a Thinking Child Class

Tuesdays February 27– April 2nd, 2024

Two time options available

9:00-10:15 a.m. or

6:00-7:15 p.m.

**Who should attend:**

**Parent, caregivers, educators and  
childcare providers of children ages 4-7**

**Cost: FREE**

**12 hours Registry Credit available for \$50.00**

Registration Deadline: February 14 Register online @ <https://go.wisc.edu/6fpx8a>

*This evidence-based workshop series will help you guide children to solve common, everyday problems with decision making and communication skills using their thinking brain. It is a refreshingly practical curriculum that helps you help your child learn HOW to think, not what to think, as they learn to resolve their own problems.*

### Participants will learn:

- To give children skills to effectively solve their own problems
- Fun games to help children learn these problem solving skills and consider consequences
- How to help kids care about and understand their feelings and those of others

This program is Facilitated Missy Bablick Human Development & Relationship Educators with UW Madison Division of Extension, Barron County. For questions or to register via phone call Missy at 715-537-6254
